Grace unto you and peace, from God our Father and the Lord Jesus Christ.

The Lord continues to bless us and move us from glory to glory.

The New Mount Olive Church for more than ninety-years has been a pillar in the greater Fort Lauderdale community. This church's presence is widely noted, respected and celebrated by believers in Fort Lauderdale, the state of Florida, the United States and even beyond. The eyes of the nation continue to be upon this church as we continue to grow and transition under the dynamic leadership of our esteemed Senior Pastor. The Lord has brought our music ministry to a national attention. Three recordings of what some call "good ole church music" has given our music ministry an unprecedented presence on the national scene. As I traveled this past week to the Gospel Music Workshop of America, I was blessed by numerous musicians and choir directors who shared how they have done complete concerts of our music. To God Be Glory!

Our Young Adult Choir continues to grow and offer the Mount Olive standard of music ministry. This new choir adds to the legacy of music ministry of the church as they strive for mastery in discipline, vocality, stage presence and spirituality. We celebrate and encourage their continued growth.

While we have so much to celebrate, we also have areas in the ministry that continue to burden me. Our continued growth and expansion is of the utmost importance as the church continues to grow. Change is evitable, not always comfortable, but much needed. This month, we will begin to consider new paradigms and start the early stages of change in the ministry. I challenge each choir member to fully concretize and make full proof of your personal ministry. Be sure, if never before, that you have been called to the music ministry. We must move forward in the things of God and

May Heavenly Peace and divinest comfort dwell with you always as you seek to abound in the work of the Lord.

Yours in Christ,

Eddie A. Robinson

Nothing is all wrong. Even a clock that has stopped running is right twice a day.
